

Press release

Netlight Consulting building for the future – brings in major shareholder

Stockholm 2021-12-23

Shareholders in Netlight Consulting AB (publ) have chosen to participate in a restructuring of the company in order to create a platform for continued strong growth as a service provider at the forefront of digitalisation.

Today it is clear that 99.8% of the shareholders in Netlight Consulting AB (publ) have chosen to participate in a restructuring of the company.

To give employees better opportunities to take part in Netlight's increase in value, a restructuring of the company is being carried out. It aims to strengthen the company's culture and strengthen Netlight's long-term ability as a service provider and partner to market-leading clients at the forefront of digitalisation. In connection with the restructuring, Netlight will get a new major shareholder, the Stockholm-based investment company Neqst.

- *We have been working for a long time with this solution to secure Netlight's future development, says Gustaf Eriksson, Chairman of the Board, Netlight. We are both happy and proud that the shareholders' support has been so great.*
- *Netlight's company culture is characterized by entrepreneurial responsibility for the company, says Katri Junna, CEO, Netlight. Therefore, it feels fantastic that we can now make employees participate in Netlight's value increase to a greater extent than before. We are now stronger than ever to meet our market-leading clients' high demands on us as a supplier and long-term partner.*
- *As investors in tech, we have long followed Netlight's development, says Erik Fröberg, CEO, Neqst. We are impressed by their position in the market as a leading consultancy company in digital transformation. We are also grateful that the other main shareholders have joined our common structure and look forward to constructive collaboration.*

About Netlight

Netlight is an IT and Management consultancy company helping leaders of the digital industry to be successful with over 1600 consultants in Stockholm, Oslo, Helsinki, Copenhagen, Munich, Hamburg, Berlin, Frankfurt, Zurich and Amsterdam. We implement new solutions, covering media, games and gambling, e-commerce, finance and payment and the industrial Internet of Things. Netlight has been awarded several times as top employer, as well as for growth, continued profitability and engagement for equality and diversity within the IT industry.
